How People Change

How Christ Changes Us By His Grace

Do you want to make a change in your life, but don't know how? "How People Change" challenges & equips participants to live out the gospel in their everyday lives. This study guides participants in specific, practical help to change long-standing patterns of behavior so they can grow in love for God & others.

Dinner 5:30 - 6:10 pm
Sessions 6:10 - 7:30 pm
Childcare 6:00 - 7:40 pm

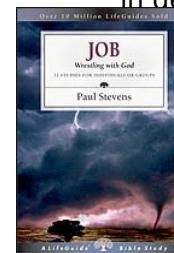

Experiencing God

In this study, we will be carefully listening to God's voice which will anchor us in His plan, and set us free to live it with boldness & freedom! There is a difference between knowing something to be true in your head and experiencing the reality in your life!

The Book of Job

Many times our problems will push us to a place where we question and doubt God's faithfulness to us. Some-times as we are experiencing hardships we may come to the conclusion that God is too quiet or even silent. The truth is we like being in control and our problems remind us that certain things are outside of our control. Together, we will learn from Job that God will never leave or for-sake us & that we can allow God to do His will in us.
